WHERE TO GET COVID-19 TESTING

Stanford physicians, clinicians, medical students, and postdocs who work in patient care areas and perform clinical research in a medical setting may contact Stanford Hospital Occupational Health Services at 650-497-9595. Individuals who meet criteria will be scheduled for testing.

All others may visit:

1. **Stanford Health Care Emergency Department**
   For those with symptoms needing emergency medical care

2. **Kaiser Permanente**
   For Kaiser members, start by scheduling an e-visit at https://healthy.kaiserpermanente.org/

3. **Palo Alto Medical Foundation**
   For Palo Alto Medical Foundation, Sutter Health, members, start by calling the COVID-19 advice line at 866-961-2889

4. **Stanford Express Care Drive-Through Testing**
   From Stanford Health Care (SHC) — **Appointment needed**
   7 days per week at all 7 sites, see below to schedule:

   **SHC Patients**
   - Call (650) 723-6028 for phone screening and assistance scheduling the testing
   - OR register for an appointment via your MyHealth Account (Under Specialty, select "COVID-19 testing")
   - If you qualify, you can self-schedule an appointment for testing

   **Non-SHC Patients**
   - Contact your current provider first to inquire about COVID-19 testing
   - If testing is not readily available, contact Stanford Express Care:
     - For faster service, go online to myhealth.stanfordhealthcare.org
     - Note: If new account, indicate no access code
     - Or call 650-723-6028
1. Go to the website `myhealth.stanfordhealthcare.org`

2. Click ‘Create New Account’

3. Click ‘no’ when asked about an access code

4. To confirm your identity, click on either
   - ‘credit card number’
   - OR ‘credit history questionnaire’

   **AND then** click ‘I agree’ at the bottom of the page

5. Once you have an account, you can click on
   - ‘Make Appointment’
   OR Book a ‘My Health’ visit here:

6. Under specialty click ‘COVID-19 testing’ and click ‘Next’

7. Answer the questionnaire and then directly book an appointment
